FROM THE DESK OF PRESIDENT

Life is getting busy every day and with this, time is flying faster every moment; but it passed by quite quicker for our tenure. It seems like yesterday to me, when I was honored to serve as the President of this august body and it remained a great pleasure and honor for me to lead the FORUM. I am thankful to Almighty Allah who granted me and my team enough strength and guidance for a whole year, not only to maintain the standard of this wonderful FORUM, but to serve the community in a meaningful way.

I take this opportunity to express my sincere appreciation to all Members of the Managing Committee for their cooperation, trust and support throughout my tenure as President. It was a wonderful experience working with a nice blend of senior and junior members of the FORUM. I was also blessed to have many invaluable mentors such as Prof. Dr. Abdul Ghaffar Billoo, Mr. Abdul Wahid Tejani, Mr. Abdul Qadir Memon, Mr. Muhammad Hanif Janoo, Mr. M. Ashraf Bawany, Engr. Engr. M. Saleem Rangoonwala, Mr. Muhammad Zubair and Mr. Muhammad Hanif Jakhura, to name a few, who have guided me through out the year for running the affairs of the FORUM effectively. I was also lucky to have a great team of Office Bearers always available to brace me with full energy whenever needed.

While setting our goals in the beginning of Silver Jubilee Year, we were very sensitive to take the challenge of transforming the Silver Year into a Golden era of the FORUM. The aim at large was to elevate MPF to further heights for which following line of action was adopted:

- Carry on the agenda of previous committees to maintain the continuity in policies
- Improve and increase communication with the members of the FORUM
- Enhance networking among members of the FORUM
- Create an opportunity for MPF to work with various Memon Organizations enhancing the living standard of Memon Community, in general
- Increase interaction with other likeminded organizations, invoking resource sharing and enhancing target audience participation in the programs
- Setting up a long term agenda for MPF through brain storming session with Strategic Advisory Board (SAB) and Memon Community leaders.
- Activate MPF Academy to play a pivotal role in the development of youth

By the grace of ALLAH, I feel pleasure to declare that we successfully followed our agenda with the support of all Managing Committee Members and Past Presidents of MPF.

In the beginning of the year, for the first time in the history of MPF, a survey was carried out among MPF members to have their feedback on MPF activities and its role. This electronic survey (telephonic and web based) gave a boost to our team as Members, in general, reposed their confidence in MPF.

This exercise also allowed us to verify the members' data. Mr. Aamir Iqbal Motiwala, Joint Secretary deserves special appreciation in this regard who not only floated the idea but also remained instrumental in its implementation process.

With a strong emphasis on effective communication with the Members, a SMS service was established to inform members about various programs along with launching of a MPF page on Facebook. Vice President Sumera Muhammad, Mr. Saad Sikandar Jangda and Mr. Faraz Younus Bandukda deserve applaud for their significant role in this activity. The website is also undergoing some changes and will be re-launched by December 2010.

We conducted several programs in this year starting with seminars on "Team Building", "Conflict Management", "Entrepreneurship – Unlocking your Mind's Potential" and "Importance of Life Insurance". Mini Conference on "Islamic Banking" was a major event of first half when Dr. Umer Chappra, a senior member of MPF, made a presentation on the subject of his expertise. The program was held at ICAP Auditorium with approximately 250 participants. I am thankful to Mr. Muhammad Hanif Janoo, Mr. Jawwad Shekha, Mr. Faraz Younus Bandukda, Mrs. Farzana Munaf and Mr. Asif Ismail for playing vital role in these programs. My exclusive thanks are due to my friend, Mr. Muhammad Zubair who convened the Mini Conference on Islamic Banking.

Another milestone of the year was the revitalization of MPF Academy, where two courses were offered. The first was a series of 12 Lectures on "Art of Communication" held at MPF office and other was a 16- hours workshop on "Personal Effectiveness with Abbas Husain" held at DadaBhoy Institute, Academic Partners for the year. Engr. M. Saleem Rangoonwala deserves appreciation for playing his key role in this area.

One of the most innovative achievements of the year was formation of Medical Group of Memon Hospitals. The aim of this group is to enhance the quality of all community hospitals by virtue of training each other and sharing experiences, to reduce the operation cost by means of avoiding duplication and sharing the resources with each other and to introduce the idea of joint purchasing for cost effectiveness. The Medical Group Committee had meetings every second Sunday of the month and held two workshops in the year, one on the "Basics of Infection Control and CSSD Techniques" where 125 participants from different hospitals attended the program and other on "Enhancing the Quality of Nursing in Community Hospital", attended by 40 male and female nurses from various Memon Hospitals. The committee has also planned a Mini Conference on Medical, which will now be held in next tenure. This program involves thorough efforts by Dr. Muhammad Tufail, Dr. Khalid Bhambha, Dr. Asif Naseem Osawala, Arch. Faisal Bilwany, Mr. Mohsin Adhi, Mr. Kashif Jessani and last but not least my wife Ayesha, who also played a vital role in coordinating this very important Committee of MPF. It was decided in the Managing Committee that Medical Group Committee will continue for a period of at least five years, as this is a long term goal and demands continuation.

In order to maintain and increase the interaction with various like minded organizations, a program was conducted on “Finance Act” with PAFO at ICMAP City Auditorium. One more event was planned and announced with ACEP and IEP on “Safety in Buildings” but was cancelled at last moment due to law and order situation in the city. Mr. Junaid Aba Ali played a key role in “Finance Act”, whereas Engr. M. Saleem Rangoonwala, Arch. Gul Ahmed Mayari and Ar. Farida Ghaffar remained instrumental in the development of program on “Safety in Buildings”, which is rescheduled for October 2010.

Young youth is like fuel which keeps running any organization to move ahead. Keeping in mind the importance of this substance, Managing Committee gathered the data of Young Memon youth qualified after year 2002 to honor them in a program “Meet the Future Leaders”. The program is scheduled for December 2010. Arch. Gul Ahmed Mayari deserves a big round of applause for taking up this challenging task for the second time, as the last program was also held under his leadership eight years ago.

The record number of five meetings of Strategic Advisory Board of MPF in a year was a major success, as this is the platform, which enables MPF to have continuity in policies and boosts the moral of current Managing Committee. MPF has two distinctions, which makes it a unique organizations; one is existence of Strategic Advisory Board, comprises of 12 immediate Past Presidents and second is the balanced representation of all the disciplines in one single organization. The Chairman of the SAB, Mr. Mr. Muhammad Hanif Janoo played inspiration role in creating this synergy. I cannot find words to express my gratitude to Hanif Bhai who stood by me throughout the year.

In order to enhance the networking, two gatherings were organized; one at a lunch in honor of Mr. Ahmed Chinoy and Mr. Abdul Rahim Suriya and other at a dinner with Community Leaders and Past Presidents of MPF from the platform of “MPF-Vision Ahead” to discuss and seek their guidance for long term objectives of the FORUM. Once again, the role played by all Past Presidents of MPF especially Mr. Mr. Muhammad Hanif Janoo along with Mr. Mr. Muhammad Hanif Jakhura and Mr. M. Ashraf Bawany were unparalleled.

The Managing Committee has worked hard on reviewing the Bye-Laws and redesigning MPF logo. The work is still underway. Mr. Faraz Younus Bandukda was leading this team with Senior Vice President Mr. Mushtaq Ahmed Madraswala, Engr. M. Saleem Rangoonwala, Arch. Gul Ahmed Mayari, Joint Secretary Aamir Iqbal Motiwala and Mr. Jawwad Shekha.

Continuing the previous year tradition, one of the major milestones of the year was a conference on “Entrepreneurship 2010 – Changing the Mindsets”. This revenue generating event has now become a trade mark of MPF. The most encouraging part of the very thoughtful event was high participation besides unrest condition in the Metropolis on particular date. This project was chaired by Mr. Mr. Muhammad Hanif Jakhura along with able leadership skills of Mr. Mr. Muhammad Hanif Janoo. The entire team of conference committee deserves great appreciation for the marathon effort and I would like to thank

Mr. Arif Habib, Mr. Yousuf Adil, Mr. M. Ashraf Bawany, Mr. Rafiq Rangoonwala, Mr. Shahzad Dada, Mr. Abdul Jabbar Rathod, Mr. Muhammed Zubair, Mr. Mehmood Parekh and Mr. Mohsin Adhi for their keen participation. This was truly a team effort, where our Event Managers M/s. Terrabiz also played a vital role. I also want to thank all learned speakers, moderators and panelists for their active participation and all sponsors, in particular, whose contribution made it a success.

This FORUM has been reaching new heights every year. The hard work of all previous committees had taken away this organization far from infancy period. This has now become a matured and active platform to serve the community having great potential to become the nucleus of all Community activities. We had a dream of working as partners with all other likeminded organizations to achieve more as a team and we will keep our efforts on this alignment with more aggression in coming years.

While thanking individuals, there is always a risk of grieving someone by unintentional omission for which I very much regret. However, I will fail in my duties if I do not acknowledge those, whose presence around me always gives me great boost.

My great thanks are due to Mr. Mohsin Adhi, who held key position of Honorary Secretary General and was available 24/7 at MPF office for running the affairs smoothly. His dedication allowed all of us to take more challenges. I would like to thank Mr. M. Iqbal Gaba for keeping the accounts of the FORUM updated, Joint Secretary Mr. Aamir Iqbal Motiwala for bringing new ideas and to initiate the work on membership cards (due in coming year). I am grateful to Senior Vice President, Mr. Mushtaq Ahmed Madraswala for playing very supportive role by backing me on all events unconditionally and keeping financial matters run smooth. I also extend many thanks to Mrs. Farzana Munaf for her support in all activities. I am thankful to Mr. M. Anis Noorwala for taking on the printing media on urgent basis every time. Special thanks to Vice President Ms. Sumera Muhammad for her support in all programs not only for effective electronic promotion, but also because of sharing every detail in depth. Special thanks to Mr. Asif Ismail for supporting the activities every time and being the part of major discussions throughout. My thanks are due to Mr. Abdul Aziz Tayabani for his advisory role and valuable feedback.

Special thanks to my parents, family members, my wife Ayesha and my office partner Mr. Adnan A. Qadir for not only allowing my to snatch time from their shares, but also to play an active part during my tenure.

I also acknowledge the role of few mentors in my MPF career, Mr. Abdul Wahid Tejani, Prof Dr. Abdul Ghaffar Billoo, Mr. Mr. Muhammad Hanif Janoo and Mr. Abdul Qadir Memon. I also thank the most silent partner of my engagement with MPF, Mr. Muhammad Zubair for sparing his time whenever needed. I used to consult him on all matters and seek his advice from time to time. I also extend my thanks to Mr. Abdul Jabbar Rathod for his support through out the year.

My special thanks are due to MPF Secretariat, especially Mr. Hashim Hussain for his dedicated commitment round the year. The strength of the Secretariat is increasing as each day is progressing high and now it has become a great help to Office Bearers and Managing Committee in discharging their duties.

Being very satisfied at the end of my tenure as President MPF, I still feel that we were not able to work more on the membership growth, which has lot of potential. The undergoing preparation to launch "MEET THE FUTURE LEADERS" was part of this plan and I hope that after launching this program in December 2010, we will be able to augment our growth significantly.

The most satisfactory part for me was to witness the completion of the dream of my uncle Mr. Abdul Qadir Mirajwala, one of the founding members of MPF, who had a strong desire to see me as the President of this august body of Memon Professionals and was the person responsible for my development as a professional. Although, he is not with us any more, but completion of his dream is one of the top achievements in my entire career.

Another satisfactory moment of the year was production of a new documentary of MPF capturing 25 years of MPF success. I thank Mr. Zeeshan Jessani for his outstanding support in the production. Ms. Sumera Muhammad and Ar. Farida Ghaffar also played very supportive role in this venture.

Last but not the least, I am thankful to Year Sponsors M/s Gatron (Industries) Limited, M/s. Clipsal Pakistan (Pvt.) Limited, M/s Premier Cable (Pvt.) Limited, M/s Polani Group of Companies, M/s Faizan Steel Group and M/s Abbas Group for their extra ordinary support. This is always due to their patronage that MPF is able to take various initiatives.

My tenure as President of MPF is coming to a close, but my commitment to the organization, I love and devoted to, will continue. I wish my successors all the success and assure them of my support all the way.

Best Regards,

Engr. Pervez Abubaker

President

HONORARY SECRETARY GENERAL'S REVIEW FOR 2009-2010

I feel immense pleasure to present Annual Report and Audited Accounts of MPF for its 25th year Celebration. This year, Engr. Pervez Abubaker while taking a charge from President Mr. Mr. Muhammad Hanif Jakhura was highly motivated considering the kind of benchmark set by Mr. Jakhura's leadership.

President Pervez Abubaker who had also served MPF as Honorary Secretary General in past took the reins with very clear objectives in his mind, one of which was to carry whole team along with him and engage all Past Presidents in MPF activities in order to embark the 25th year celebrations of MPF. Each member of the Managing Committee was eager to perform this year and the whole Committee teamed up to highlight the Forum among the Professionals. I feel proud to be part of such committee and enjoyed the company of cooperative Office Bearers. The committee is becoming stronger with the prominent role of Strategic Advisory Board (SAB) led by Chairman Mr. Muhammad Hanif Janoo.

During the year we conducted various activities with an aim to address all major professional disciplines. Few of the prominent events of the year were "Islamic Banking" (mini conference) in which Dr. Umer Chappra honored the Forum with his key note speech, Engineering Conference (mini conference) and amongst the top was the Conference of the year "Entrepreneurship -2010" which included imminent personalities from business community. During the whole year untiring efforts were made to take various leaders and renowned personalities of the community into MPF fold. These personalities included Mr. Hussain Dawood, Mr. Pir Muhammad Diwan, Mr. Muhammad Ali Tabba, Mr. Maqsood Ismail, Mr. Arif Habib, Mr. Moin Fudda, Mr. Ziyad Bashir, Mr. Hunaid Lakhani, Mr. Shehzad Dada, Mr. Rafiq Rangoonwala and Ms, Rabia Garib. All of these personalities came in MPF fold through the Entrepreneurship conference. MPF, this year, also took an initiative to call up the meeting of renowned personalities leading different professional activities, which included mostly Conference delegates and others such as Mr. Aziz Memon, Mr. Mushtaq Chappra, Mr. Pir Muhammad Kaliya, Mr. Zakaria Usman, Mr. Iqbal Ebrahim and many more.

During the year, MPF also conducted small scale programs for personality development of the members which included "Team Building" and "Personal Effectiveness Toolkit by Mr. Abbas Hussain", "Conflict Management" by Mr. Ashraf Usman, "Entrepreneurship- 2010 - Unlocking the Mind Potential" by Mr. Nizar Noorali Bhulani and "Life Insurance Awareness" by Mr. Shabbir Dhirani. Furthermore, MPF activated the MPF Academy by introducing a course based on the need to enhance communication skills for those members who want to enhance their communications skills both in written and verbal communication. Mr. Taimur Sabih conducted 12 days workshop specially designed for the participants after their individual assessment. This year a seminar was conducted on "Financial Act" in collaboration with PAFO at ICMAP city campus in order to deliberate on the Budget 2010-2011. MPF this year also honored Mr. Ahmed Chinoy on his appointment as a Chief CPLC and Mr. Abdul

Rahim Suriya for his leadership as ICAP President, while to flourish the occasion all the Past Office Bearers were invited which proved to be the reunion of MPF Honorary OB's.

MPF took an initiative led by Dr. Muhammad Tufail to get all Memon Hospitals united under one roof. Taking this vision ahead monthly meetings were planned in which all Memon Hospitals were invited to share their ideas and problems regarding sharing each others resources. In order to facilitate all community Hospitals two seminars were organized namely "Basic Infection Control" in collaboration with Tabba Heart Hospital and other on "Nursing" in collaboration with Patel hospital. Further taking the advantage of Inauguration of Memon Medical Institute during the tenure, MPF took on board Mr. Pir Muhammad Diwan who is leading the team of MMI.

In the end I would like to congratulate entire Managing Committee, the Past Presidents and all members of the FORUM one more successful year and pray for the continuation of such successful march of the FORUM in upcoming years. I would like to thank entire Managing Committee Members, Office Bearers for the current year, all the Past Presidents and especially the Office Secretariat Mr. Hashim Hussain and Mr. Zohaib for their continuous support in managing all proceedings round the year. I would end this message with special thanks to Engr. Pervez Abubaker; President of the FORUM and Mr. Muhammad Hanif Janoo Chairman SAB, their untiring efforts made this year a successful tenure and helped me learn considerably from their experiences.

Thank you,

Mohsin Adhi

SEMINAR ON TEAM BUILDING

Professional Development Committee conducted a seminar on **“TEAM BUILDING-Together Each Achieves More”** at MPF office on 4th December 2009. The programme was convened by Mr. Jawwad Shekha. The programme started with recitation from holy Quran by Mr. Saad Jangda.

Mr. Jawwad Shekha in his welcome address introduced the Speaker Mr. Abbas Husain, Director, Teacher Development Centre. Mr. Husain has received his education and training from the University of Karachi, Manchester, Pittsburgh, Toronto, Louisville and Chicago. He is conducting Master Teacher’s course since 1997 and has so far contributed 289 teacher trainers to the national pool of Trainers. After the introduction he invited President MPF Engr. Pervez Abubaker for welcome address. Mr. Pervez Abubaker in his welcome address thanked all participants and Guest Speaker Mr. Abbas Husain for giving his precious time for our programme. He briefly highlighted the activities and objectives of MPF and also informed the participants about the upcoming events of MPF and then invited the Guest Speaker Mr. Abbas Husain for his Presentation on the topic.

Mr. Abbas Husain, in his presentation pointed out that there are 3 major tools for team building. What is the root cause of diversity and how one can get work out of others?

- What you bring to a team - your preference
- What makes for the diversity in people
- What ever an individual needs, Organizations, force them to act
- In some kind of team sooner or later

Hence the need to be aware of how and why teams develop, how they can be managed and what makes a team effective or ineffective. Therefore he highlighted the advantages of Team:

- o Sharing the information and ideas meeting psychological needs for being with others specialization is possible.
- o Improved learning & decisions makings.
- o Synergy (1+1=33).
- o Individual biases can be overcome.

Further he emphasized three tools that normally help to work with colleagues

1. Multiple Intelligence,
2. Why teams don’t work
3. JOHARI WINDOWS

SEMINAR ON CONFLICT MANAGEMENT

Another program of Professional Development Committee was held on 18th December 2009 at MPF which was convened by Mr. Jawwad Shekha, Convener Professional Development Committee. He introduced Mr. Ashraf Usman, Chief Learning Officer of the Learning Organization, who has more than 20 years of experience to provide practical and cost effective solution on Conflict Management.

Mr. Ashraf Usman started his lecture by defining “Conflict” which means disagreement over an issue. There are two type of conflicts either it is Substantive or may be Emotional conflict. Some time the conflict may be Destructive or it may be Constructive. The Constructive conflict help the individual to develop skills to release emotions, anxiety, stress, build cooperation, helps individual to develop understanding and skills. The Destructive conflict normally takes attention away from other important activities, polarize people and reduce cooperation, increase, sharpens the differences and that leads to irresponsible behavior. Mr. Ashraf Usman discussed causes of destructive conflict, conflict resolution, conflict solution mechanism and alternative conflict management styles in detail.

LEARN THE ART OF COMMUNICATION

Memon Professional Forum this year revitalized MPF Academy programs in order to groom the young professionals. “Learn the Art of Communication” is a program, initiated with the concept to assist professionals enhancing their communication skills be it a verbal communication or written communication. The program began with the individual assessment of each student and then assignments were given to them accordingly. The program was based on twelve sessions in which initial attention was given to the rules of grammar and then the focus was diverted to the verbal and written communication. The duration of each session was designed considering the focused group attention which lasted for one and half hour for each session. In the end each candidate was asked to write and present the synopsis of their life and future career plans. Mr. Taimur Sabih, the instructor of this short course and a professional English Language instructor (previously had worked for Berlitz) also appreciated the initiative of Memon Professional Forum. The program lasted for 12 weeks from 9th January 2010 to 17th April 2010 which concluded with the illustration that there is a desperate need of such courses and it can be justified with the feedback forms filled by the participants at the end of the event.

ENTREPRENEURSHIP- UNLOCKING YOUR MIND’S POTENTIAL

This seminar of Professional Development Committee is one of those seminars which possess fewer lecture and more activities. It was held on 19th March 2010 at MPF seminar hall. Mr. Nizar Noorali Bhulani who has diverse range of professional portfolio in his profile

conducted the seminar based on activities which inclined the motivation level of participants towards entrepreneurship. The audience groups comprised of senior businessmen, young students, teachers, and participants from corporate sector. Therefore Mr. Nizar categorized the audience into six groups each consisting of eight participants. Mr. Nizar presented few highly recognizable demographics of Pakistan and encouraged participants to become entrepreneurs with some valid justifications in form of facts of entrepreneurs. He defined few Myths about the entrepreneurs:

The Risk Taking Myth
The High-Tech Invention Myth
The Expert Myth
Strategic Vision Myth
The Venture Capital Myth

BASICS OF INFECTION CONTROL & CSSD TECHNIQUES

Memon Professional Forum and Tabba Heart Institute jointly organized a workshop on 27th March 2010 at the Seminar Hall of Tabba Heart Institute, F.B.Area Karachi.

The Programe started with the recitation from Holy Quran by Dr. Tariq of THI. He recited relevant verses emphasizing for care and cleanness.

Mr. Mohammed Yousuf, CEO THI welcomed Engr. Pervez Abubaker President MPF and other participants of the workshop. Mr. Yousuf appreciated the efforts of MPF in coordinating such workshop and taking interest in the Health Sector.
