**FROM THE DESK OF PRESIDENT:**

Dear Members,

Assalam O Aalaikum,

First of all I bow my head to Almighty Allah who bestowed upon me this honor of serving as President of MPF.

My thanks to Mr. Hanif Janoo, SAB Chairman and Past President of MPF who showed confidence in my abilities and requested me to take up the position of President MPF. My thanks to past presidents, Mr. Yousuf Adil, Mr. Abdul Qadir Memon, Mr. Abdul Wahid Tejani, Mr. M. Hanif Jakhura, Engr. Pervez Abubakar, Mr. M Zubair, and Mr. Asif Ismail Mangroria who, fully supported and initiated my nomination as President MPF.

It was a humbling experience to serve as President of a body whose members occupy the top notch positions in every sphere of our community and society. On one hand it was a challenging task to serve amongst such competitive personalities but on the other it was a great learning experience.

As soon as I started my tenure, first responsibility was Entrepreneurship conference which took place on 22<sup>nd</sup> November 2011. Under the dynamic leadership of Mr. M. Hanif Jakhura, the conference was again a landmark for MPF. This conference is hallmark for MPF and initiated by Mr. M. Hanif Jakhura in his tenure and he had been very kind to continue his support as well as serve as conference chairman. My sincere thanks to Mr. M. Hanif Jakhura for giving his personal time in organizing this mammoth conference. With this conference we generated handsome revenue for MPF, my sincere thanks to all the sponsors.

The other major task was Annual Diary. My sincere thanks to Mr. Abdul Jabbar Rathod for managing the entire diary project which earned significant revenues for MPF. My sincere thanks to the sponsors as well without whom it was impossible.

One of the landmark achievements of this year was "Amendments in bye-laws". The entire MC deserves credit for this achievement. They debated hours and hours on the amendments and finally we got approval in EOGM last week on September 2<sup>nd</sup>, 2012. My special thanks to by law committee Arch. Gul Ahmed Mayari, Engr. Pervez Abubakar, and Engr. Saleem Rangoonwala. Their effort in coming up with a consensus document of amendment was an uphill task which Alhamdulillah they managed with their passion and commitment. It was their effort and dedication that after a long time MPF finally has Bye-Laws which can truly be called universal.

Besides the above, we had many seminars and meetings, details have been provided in the report which will follow. I would like to thank all who helped in coordination of these seminars and meetings. Without their support it would have been impossible to continue

## ANNUAL REPORT FOR THE YEAR 2012-2013

MPF activities. Please note that it is all voluntary work and the only thing we can pay back is “thank you from bottom of our heart”.

I would like to draw members' attention to a very big challenge which MPF is facing for a long time, which is a Financial resource. We don't have any continuous revenue stream to run MPF office, except Entrepreneurship conference and annual Diary as mentioned above. I know that every year sitting president has to contribute significant amount to run the operations of MPF. Last year the president MPF made major contribution and we acquired new office besides he also contributed to run daily operations. This year too the president had to contribute. From the finances it seems that next year will be the same situation. For how long it will continue, it is any body's guess, as such it is important members come together and revive the smooth running of MPF. We have amended the Bye-Laws accordingly and managed to insert nominal amount of annual subscription from members. This will help the long term objective of MPF.

I would like to thank my colleagues (office bearers) who helped me a lot and due to their support we all managed to successfully complete this year. My sincere thanks to our honorary general secretary Mrs. Farzana Munaf for running the MPF office smoothly and giving me full support in managing the affairs of MPF. Without her support and active participation, it would have been impossible. My thanks to Mr. Irfan Amanullah, Treasurer, whose timely intervention and recommendations helped MPF finances to keep under control.

I would also like to thank the young and dynamic members of MC, namely Mr. Rizwan Usman, Mr. Naveed Abdul Hameed, Mr. Noman Abdul Hameed and Mr. Munir who were always in the front line to deliver. Their commitment level and involvement was exemplary.

In conclusion, I would like to thank the entire Managing committee for entrusting full support and confidence in me as well as in all office bearers. The MC support and guidance was extremely helpful in running the MPF affairs smoothly this year.

May the blessings of ALLAH be with you.  
Yours sincerely,

**Mr. Haroon Qassim**  
President (2011-12)

**FROM THE DESK OF HONORARY SECRETARY GENERAL**

Assalam u Alaikum

I am honored and pleased to present the annual audited accounts of the Memon Professional Forum for its 27<sup>th</sup> year. I take this opportunity to thank the President Mr. Haroon Qassim for giving full support in carrying out the affairs of the forum and guidance whenever asked for and needed.

Composition of Managing Committee, this year, was an unique blend, a combination of experienced and seasoned members including Mr. M. Amin Patel, Mr. Ghulam Muhammad Kasbati, Dr. Muhammad Anwer Adam, energetic past Presidents like Engr. Pervez Abubakar, Engr. Saleem Rangoonwala and Mr. Asif Ismail Mangroia and shining stars in the form of new inductions including Mr. Rizwan Usman, Mr. Noman Abdul Hameed, Dr. Shaheena Akbani, Mr. Irfan Amanullah and Mr. Naveed Abdul Hameed. The blend of wisdom, experience and energy made this year a fantastic journey whereby all of the MC members were willing to take and actually took the responsibility of giving excellent deliverables. I must admit that it has been my good luck that I worked as a Honorary Secretary General with a team which was willing, committed and supportive.

We always say and feel that MPF is like a family and this fact was evidenced in the form of support from another long list of MPF members who were not part of the current MC but extended their support and guidance in time of needs. The list is very long but mainly includes Mr. Abdul Wahid Tejani, Mr. Abdul Qadir Memon, Mr. M. Zubair, Mr. M. Hanif Jakhura, Mr. M. Ashraf Bawany, Mr. Mohsin Adhi, Ms. Summera and many more.

The year began with a full day conference of Entrepreneurship held at the Marriott Hotel, Karachi on November 22<sup>nd</sup>, 2011. The participants of the conference did not only enjoy the rich experience of listening to a number of learned speakers such as Mr. Arif Habib, Mr. Ziad Basheer, Mr. Aqeel Karim Dhedy and many more but also had a great opportunity of networking with other fellow professionals. We had the honor of having Mr. Muhammad Ali, Chairman SECP to be the chief guest on the inaugural session. This conference, attended by a large number of professionals and entrepreneurs, was a great success.

The first month of the calendar year witnessed a memorable event at MMI Hospital in the form of networking lunch. This lunch was also attended by past MPF office bearers as well as certain dignitaries representing trusts of MMI Hospital. The participants enjoyed the lunch and good company both.

In addition, a number of programs in the form of seminars and awareness sessions relating to different disciplines were organized and held by the Managing Committee. These programs covered the topics of current developments in I.T and

#### ANNUAL REPORT FOR THE YEAR 2012-2013

Social Media, importance of diet for proper health and topic of the era like corporate social responsibility and sustainability. The good part was that these programs were entirely managed by the team members themselves who did not only arrange learned speakers but also helped a lot in logistics arrangements. These programs were attended by a large number of MPF members and other professionals of the communities who not only liked the quality of these programs but also offered their services to help in conducting more of such programs.

Another important program was business decisions through financial statements for which Mr. Usman Ghani Akbani, a senior Chartered Accountant and renowned trainer offered his services on a voluntarily basis. This program was enjoyed by participants particularly by non-finance people including Engineers and Doctors and it was liking of this program that encouraged MPF to arrange a full day workshop on "Art of Investment in Stocks" whereby participants were not only trained for rules of the game but also given a live course study to get hands on experience.

Another marked achievement of the year was re-launch of MPF website with untiring efforts of Mr. Asif Ismail Mangroria and Mr. Rizwan Usman. This website is not only entertaining but also facilitate access to various information in a very friendly way. This is being updated on regular basis and gives a very good insight of MPF's affairs for existing as well as potential members.

MPF academy which was launched few years ago remained another point of interest throughout the year. There was not a single meeting whereby Engr. M. Saleem Rangoonwala did not emphasize about activation of MPF academy as rightly once activated it would not only bring a regular revenue stream for MPF but would also contribute a lot in enhancing MPF's image. It was the continuous efforts of Engr. M. Saleem Rangoonwala that a Memorandum of Understanding was signed with National Productivity Organization, Government of Pakistan on April 27<sup>th</sup>, 2012 to hold different courses/programs/projects on a joint basis under the umbrella of MPF Academy.

Another marked achievement was updating of MPF Bye-Laws document. This task was attempted by many MCs in different tenure, however now it got finally accomplished and by the grace of Almighty Allah the current MC, with the dedicated efforts of Arch. Gul Ahmed Mayari and Engr. Pervez Abubakar not only got the document cleared by the MC but also got it approved by MPF Members at the Extra Ordinary General Meeting (EOGM) held on September 2, 2012.

It would be wrong on my part if I do not thank the Office Bearers whose support remained with me throughout the year whenever and wherever required and needed. Dr. M. Khalid Bhambha, our Senior Vice President, like usual remained kind in resolving the issues with positive thinking. Mr. Ghulam Muhamamd Kasbati, Vice

#### ANNUAL REPORT FOR THE YEAR 2012-2013

President whose seasoned experience and affiliation with other Jamats and bodies of the community came to help in the time of need, Mr. Irfan Amanullah, Treasurer, a Fellow Chartered Accountant, who efficiently performed the duty of MPF treasurer and made everyone's life easy by maintaining efficient and proper accounts for MPF and last but not the least Mr. Rizwan Usman, Joint Secretary who helped me each and every single minute in performing my duty as Hon. Secretary General.

In the end, I would like to thank the entire managing committee, the past presidents, all members of the forum, office bearers and the President for their whole hearted support during the year. I congratulate each and every one of you for witnessing another successful year of our MPF journey. I specially thank the office secretariat Mr. Hashim Hussain and Mr. Abdul Haseeb Vayani for their continuous contributions towards the uplift of the forum and managing all proceedings with utmost care and diligence. I would conclude my communication with a special thanks to Mr. Haroon Qassim, President of MPF for his guidance, leadership and support throughout the year and above all my heartfelt appreciation for Engr. Saleem Rangoonwala, Engr. Pervez Abubakar and Mr. Asif Ismail Mangrora past presidents for their never ending support and untiring efforts for the Forum. I wish MPF a wonderful future ahead and make myself available for any requirements of MPF which may arise in future.
