Brunch in Honour of  
**Mr. Irfan Amanullah & Engr. Pervez Abubaker**  
Hosted by Asif Ismail

A brunch was hosted by Mr. Asif Ismail on September 15, 2024, at DHA Golf Club. The event was organized to honour Mr. Irfan Amanullah and Engr. Pervez Abubaker for their significant contributions to community.

The gathering brought together esteemed professionals, Past Presidents, industry leaders, and dignitaries, fostering an atmosphere of camaraderie and mutual respect. Guests had the opportunity to engage in meaningful discussions and celebrate the achievements of the honorees.

The event highlighted the spirit of professional excellence and collaboration, reflecting the host's dedication to fostering industry connections and honoring excellence.

## Breast Cancer Awareness Fact & Figures

MPF has successfully organized a Breast Cancer Awareness Session on October 23, 2024, at the Karachi Gymkhana, with a focus on promoting early detection, prevention, and awareness about breast cancer.

The event commenced with a formal Welcome Address by Mr. Muhammad Ali Bhabha, President of MPF, who highlighted the organization's commitment to health advocacy. The session concluded with a Vote of Thanks delivered by Murtaza Feroz Jangda, Hon. Secretary General of MPF, expressing gratitude to the speakers and participants for their valuable contributions.

The program was honored by the presence of Ms. Shagufta Hassan, Global Vice President at Aga Khan University Hospital and Expert Health Advisor at the World Health Organization, as the Chief Guest. Her keynote address underscored the

global significance of addressing breast cancer through education, early screenings, and proactive measures.

Expert speakers included:

Prof. Dr. Rufina Soomro, Breast Cancer Surgeon at Liaquat National Hospital, who elaborated on cutting-edge advancements in breast cancer surgery and care.

Dr. Zubia Masood, Associate Professor of Surgery and Consultant Laparoscopic & Breast Surgeon, who provided critical insights into prevention strategies and the importance of early intervention.

The session was professionally moderated by Dr. Hira Anis Bumbia, Assistant Professor and Consultant Urologist, who served as the Master of Ceremony, ensuring a smooth and engaging flow of the program.

## Mehfil – E – Milad

MPF has organized a Mehfil-e-Milad on Saturday, November 2, 2024, at the MPF Office. The event was a heartfelt gathering aimed at celebrating the life and teachings of the Holy Prophet Muhammad (PBUH).

The program featured Ms. Sadia Ansari, an eminent scholar, who delivered an insightful and inspiring discourse on the virtues and teachings of the Prophet (PBUH), emphasizing their relevance in today's world.

The event also included soul-stirring recitations by Ms. Zainab Lakhani, whose heartfelt naats added to the spiritual ambiance of the occasion.

The proceedings were elegantly moderated by Ms. Abida Memon, who served as the Master of Ceremony, ensuring a seamless flow of the event. The gathering concluded with Closing Remarks by Mrs. Maliha Yaqoob, who expressed gratitude to the participants and organizers for their contribution to this meaningful event.

## Future of AI in Pakistan – Redefining Work and Life

MPF organized a thought-provoking event titled “Future of AI in Pakistan: Redefining Work and Life” on December 19, 2024, at the Karachi Gymkhana. The event aimed to explore the transformative role of Artificial Intelligence (AI) in reshaping Pakistan’s workforce and societal structures.

The session commenced with Opening Remarks by Mr. Muhammad Ali Bhabha, President of MPF, who emphasized the importance of AI in shaping the future of various industries in Pakistan.

The Chief Guest, Mr. Saad Kaliya, Partner in Technology Consulting & Risk Assurance at AF Ferguson & Co (PWC Pakistan), delivered an insightful address on AI’s global influence and its growing significance in Pakistan’s economic landscape.

The event featured a distinguished panel of speakers:

- Saiyed Sahab Ahmed, Head of Digitalization at Pak Arb Refinery Limited, who shared his expertise on the integration of AI in industrial processes.
- Muhammad Saad Jangda, CEO of INDOLJ.PK and SYMITS, who discussed AI’s role in driving entrepreneurship and technological innovation.
- Danial Raza, CEO of Invenxion (Private) Limited, who highlighted AI’s potential in transforming business practices and solving industry challenges.

The session was expertly moderated by Raheel Gabrani, who ensured the smooth flow of the event. Closing Remarks were delivered by Mr. Irfan Amanullah, Former President of MPF, who reflected on the key takeaways and AI’s future potential in Pakistan.
