Breast Cancer Screening Program

Successful Breast Screening Camp – Saving Lives in Our Community

We are thrilled to share the heartwarming success of our recent Breast Screening Camp, held on October 22, 2023 in Karachi Club in collaboration with Memon Professional Forum. The event was a resounding success, thanks to the unwavering support of our community and the dedication of our healthcare professionals.

Highlights of the Breast Screening Camp:

Over 70 women attended the camp, representing diverse age groups and backgrounds. A team of experienced medical practitioners including Dr. Hira Anis Bumbia, Dr. Nighat Ghias and Dr. Farukh Sahar conducted thorough history and breast examinations. Early detection was the key to our success, with 10-12 cases of potential concern was identified. All cases were promptly referred for further evaluation and support, reaffirming the importance of regular screening.

Our heartfelt thanks go to the community members who participated, as well as honorary secretary/convener health & fitness Karachi Club Mr. Amin Merchant, volunteers, and donors who made whole hearted support for the event.

The positive impact of this Breast Screening Camp cannot be overstated. Early detection is a powerful tool in the fight against breast cancer, and this event has undoubtedly saved lives.

We look forward to continuing our efforts to promote health and well-being in our community.
